

CONNECT. INTEGRATE. SIMPLIFY. AND MORE.

Technology for every workplace, delivering advanced functionality, ease of use and peace of mind.

Every business is unique. That's why Toshiba offers the latest customizable solutions that can be tailored to meet your needs. Toshiba solutions help you simplify complex tasks while managing diverse information efficiently and safely to maximize your productivity.

Our latest series delivers on the Toshiba promise of Together Information – our commitment to collaborate with clients in order to provide tailored, cost-effective solutions that meet your print, document management and content needs while helping you meet your green objectives.

- > Speeds of 55, 65 & 75 PPM Colour. 65, 75 & 85 PPM Monochrome
- > High-resolution and high-volume colour output
- > High-volume black & white output
- Advanced e-BRIDGE Next technology
- > Fast dual-core processor

Sleeker, faster, and more versatile than ever.

Toshiba introduces a new sleek lineup that's as impressive on the outside as it is on the inside. Its ultra-modern look houses the latest innovative technologies, like brilliant, multi-beam laser colour at a speed of up to 75 pages per minute, and up to 85 pages per minute in monochrome.

- > True 1,200 x 1,200 dpi up to 3,600 x 1,200 dpi equivalent with PostScript 3
- > High-speed, high-capacity Dual-Scan Document Feeder
- > Up to 600K maximum monthly copy volume

Customizable user interface streamlines complicated multi-step processes into automated one-touch functions.

A fully-customizable user interface with an open platform enables departments to tailor settings and automate workflow including the integration of third-party solutions resulting in simple operation and improved efficiency. Let Toshiba place productivity and performance at your fingertips.

Customize and automate workflows specifically around vour business processes

INNOVATIVE FEATURES, VERSATILE CONNECTIVITY.

The Toshiba e-STUDIO7516AC Series helps workgroups connect, integrate and simplify while improving efficiency and productivity to facilitate collaboration between departments.

High Speeds include 55/65/75 brilliant colour pages per minute and 65/75/85 monochrome pages per minute, respectively.

Advanced e-BRIDGE Next Technology enables the MFP to drive Toshiba's internally developed embedded solutions or those from a third party with ease.

Fast Dual-Scan Document Feeder handles up to 300 sheets at a time and seamlessly scans both sides of each page in a single pass to produce a max of 240 images per minute (IPM).

Auto Skew Correction ensures your scanned documents are reproduced accurately.

Fast First Copy Out Times include 6.4/6.4/5.4 seconds for full-colour printing and 5.2/4.5/4.1 seconds (respectively) for black and white printing.

10.1" Tablet-Style Touch Screen works intuitively, helping you access instructions, functions, and commands with the swipe of the finger.

Banner Printing produces impressive signage as large as 12" x 47" using our unique AquaAce media.

Print Around eliminates printing bottlenecks by allowing other print jobs to go around a job that's held-up for a specific paper size, media type or colour toner.

Saddle/Fold Capabilities offer saddle-stitch finishing and the option to fold without stapling.

e-BRIDGE Plus for USB lets you print PDF and JPG files straight from your USB drive and the MFP will scale document to fit the available paper size if necessary.

Scan-to USB is great for capturing a file quickly when you're on the go.

Scan Preview allows you to review your scanned documents on the 10.1" tablet-style touch screen, even rotate and change pages prior to sending to file or email.

Fax Preview saves valuable resources by letting you view received faxes prior to printing them.

Notifications Feature takes the hassle out of checking for depleted supplies or maintenance needs.

Paper Volume Indicators on the front panel make it easy to see the paper sizes, types and levels in each cassette.

Multi-Station Print Enabler allows you to retrieve your print job from a series of networked MFPs via simple authentication-now with support of up to 50 e-BRIDGE MFPs.

TOSHIBA INNOVATION AT ITS FINEST.

When it comes to seamless workflow and simplified integration, the e-STUDIO7516AC Series represents the finest Toshiba has to offer. The latest e-BRIDGE Next technology enables the systems to offer invaluable embedded solutions capabilities, and third-party integration.

AirPrint® and Mopria® support address the printing needs of mobile device users, while Wi-Fi Direct simplifies access to the MFP. Toshiba's exclusive e-BRIDGE Print & Capture application enables users additional printing features and the ability to scan documents back to their tablets or smart phones.

PCL 6, PS3, and XPS support, a universal print driver and our Toshiba V4 driver with Toshiba Print Experience provide fast and easy connectivity with Windows®, Macintosh® and beyond.

Cloud Support

With Google Cloud Print™ support, you can securely print over the web from anywhere, anytime—including your phone—to an e-STUDIO Series MFP. e-BRIDGE Plus for Google Drive™, e-BRIDGE Plus for OneDrive®, e-BRIDGE Plus for DropBox®, and e-BRIDGE Plus for box™ address all of the popular cloud-based mobility apps.*

Embedded Applications for Office365®** lets users scan to and print from their Office365® directly at the front panel of the e-STUDIO MFP or their mobile device. This includes Word™, Excel® and PowerPoint® (docx, xlsx, pptx) documents stored in OneDrive® accounts or SharePoint® locations. When combined with our embedded OCR feature, documents can be scanned into these popular Office™ formats as well.*

*Your network settings and/or access control may vary depending on network environment when installing e-BRIDGE Plus applications. For details, please consult Toshiba's sales person.

**Available three applications; e-BRIDGE Plus for OneDrive® for Business, e-BRIDGE Plus for SharePoint® Online and e-BRIDGE Plus for Exchange Online

Advanced Security

Even more important than functionality is the security offered by the e-STUDIO7516AC Series. Such technological advancements include:

- A 320GB Self-Encrypting Drive (SED) with Automatic Drive Invalidation (ADI) & Data Overwrite capability provides top level security
- Available FIPS 140-2 Validated SED meets and exceeds strict government requirements
- IPsec is available to securely encrypt data sent to and from the MFP

Environmental Responsibility

Because we have been working to protect the environment as well as your security, you can rest assured Toshiba has what it takes to protect both.

- ENERGY STAR® V2.0 certified
- RoHS compliance, the use of recycled plastics, and Super Sleep (0.6W) Mode work to help the environment
- > EPEAT Gold Registered for greener electronics, designed to help purchasers choose products that reduce environmental impact
- The new e-STUDIO models' Typical [weekly] Electrical Consumption or TEC value is exceptionally low, equating to an environmentally friendly product with a low operating cost too
- e-BRIDGE Plus for Green Information provides users with a graphical display at the MFP of their environmental contribution to promote more effective use

IMPRESSIVE EVEN BEFORE YOU TURN IT ON.

1 Accessory Tray & Keyboard Options

GR-1330: Accessory Tray
GR-9000: Bluetooth Keyboard
GR-1340: 10-Key Numeric Keypad

2 Finishing Options

MJ-1111-B: 50-Sheet Console Finisher
MJ-1112-B: 50-Sheet Saddle Stitch Finisher

MJ-6106N: Hole Punch Unit KA-6551-ET: Side Exit Tray

3 Connectivity Options

GD-1370NA-N: Fax Unit/2nd Line for Fax Unit GN-4020: Wireless LAN/Bluetooth Module GE-1230: FIPS 140-2 Validated SED

4 Additional Paper Options

MP-2502L-B: 2,500 Sheet Large Capacity Feeder

Additional Option Highlights

- > IPsec Security Enabler
- > Multi-Station Print Enabler
- > Embedded OCR Enabler

Toshiba's e-STUDIO7516AC Series offers the best of the best, enabling large workgroups to improve productivity and connectivity while simplifying the overall workflow.

Double the Scan Speed

A 300-sheet, high-speed, high-capacity Dual-Scan Document Feeder (DSDF) produces up to 120 IPM simplex and 240 IPM duplex.

Bluetooth/Wi-Fi Option

Bluetooth feature provides support for a wireless keyboard to simplify workflow processes at the MFP, while the Wi-Fi capability enables Wi-Fi Direct printing making it ideal for mobile users

Volumes and Volumes

A high monthly copy volume of 480K/540K/600K respectively. Impressive toner yields of 39,200 colour and 106,600 black and white (each at 5%).

Multi-Station Print Enabler

Toshiba's internally developed Multi-Station Print Enabler allows users to send print jobs from their desktop and retrieve them at any available MFP by simply swiping their card and authenticating at that device.

Advanced e-BRIDGE Next Technology

Built on Linux®, this latest generation e-BRIDGE Next architecture features an Embedded Web Browser, an Intel Atom™ dual-core processor, 4GB RAM and a 320GB SED enabling the MFP to easily drive Toshiba's internally developed solutions and third-party applications
